July Flying Field Meeting -
Mid-America 2016 Thank You - Upcoming Events

July Flying Field Meeting

The July Midwest RC Society meeting was postponed one day from Wednesday, July 6 to Thursday, July 7. The weather prognosticators had predicted poor weather conditions for Wednesday evening.

The attendance was low, but the enthusiasm was high. There was quite a bit of flying going on, as well as training.

Our next flying meeting is scheduled for Wednesday, August 3. We'd love to have you come on out and join us.

Remember, the early bird catches the worm, or in this case, the best parking spots.

The 2016 Mid-America Flies

Ken Myers and Keith Shaw wish to thank the members of the Midwest RC Society for supplying such a great venue for this 32nd annual event.

Thanks especially go to **Arthur Deane** for wrangling up the workforce to man the Midwest concession stand and parking.

All proceeds from the concessions and parking went into the Midwest 'kitty'.

Thank you **Barb** and **Bob Weak** for 'manning' the parking on Saturday and **Norm Peters** for doing the parking on Sunday.

Charlie Dochenetz headed up the concessions with the help of **Kevin Hille** and **Peter Waters**.
