November 2012 Meeting

Arthur Deane presented a slide show of some great aircraft photos.

Unfortunately, our guest speaker had to cancel at the last moment.

Arthur Deane presented the end of year financial report. He noted that we did end up in the black this year by \$111.71 without the swap meet. Therefore, we will be ending the year on a positive note.

Many thanks go to the Friends of the Field and new members who helped with the positive cash flow. We were also lucky to have had no serious expenses for field equipment.

Bill Brown thanked the grass crews for a good year and their hard work!

Bruce Ferns thanked **Jim Lapham** for putting away all the shelters.

Peter Waters spoke about some severe dust problems while sanding. He had gotten a serious particle infection from sanding and sawing. He looked for

particle masks, but they all fog his glasses.

He found that Woodcraft sells a motorize particle mask. It is called Power Mask and sells for \$70 or \$80 at Woodcraft.

Election Results

There were no additional nominations at the November meeting. The original October meeting nominations were voted on.
