The November Meeting

An aircraft related video, supplied by **Louis Marcon**, showed the construction of a full-scale WWI SPAD replica was shown from 7 to 7:30.

Arthur Deane called the meeting to order and called on **Rudi Reinhard** for the Swap Shop report. Admissions, 50/50 and concessions were all up. Table sales were up as well. It looks like we did very well. Thanks to all who helped. There were plenty of you and it made things run very smoothly! Thanks to one and all.

We all thanked Rudi for his hard work and putting this event together for years and years.

Lynn Morgan told everyone that our 2014 application is on the Web site. Dues are due no later than March 5, the March meeting.

Mike Russell noted we now pay \$30 for our meeting place. He also gave the treasurer's report. If you ever have questions regarding the club's finances, please contact the club treasurer or any

officer. He also noted the generous donation by **Jon Quisenberry** when he donated his plane items to the club. **Ken Myers** sold items for the club. He also thanked the club for allowing him to be treasurer.

Arthur noted that we ended the year having a slight surplus.

Bruce Ferns noted that most of the things at the field have been put away.

Bill Brown thanked all the mowing team members for their hard work and dedication.

Jim Lapham is going to winterize our field equipment.

Arthur opened nominations.
