Winter Meeting Reminder

Our late fall, winter and early spring meetings are held at the EAA building at Mettetal Airport in Canton, MI, which is just south of Plymouth, MI.

The address is 8550 N Lilley Rd, Canton, MI 48187.

The EAA building is the first building on the right when entering the airport.

There is usually an aviation related video at 7:00 p.m. followed by the meeting at 7:30 p.m.

Many meetings have guest speakers whose topics relate to both model and full scale aviation.

The December 2022 Meeting

Our December social and White Elephant Gift Exchange was held on Wednesday, December 7, 2022.

It was very well attended this year.

There were many very enjoyable snacks and deserts this year. The shrimp were especially enjoyed by many there.

The White Elephant Gift Exchange seemed to go quite well as many of the folks that participated seemed to really enjoy what they received. All of the "gifts" were quite nice and useful this year.

Everyone seemed to enjoy themselves while eating and butterflying around the circle of friends and chatting.

Enjoy the photos!

Wives Appreciation Dinner at Karl's Cabin

The get together was held at Karl's Cabin on Saturday, December 17, 2022.

Unfortunately, we were missing some of the "regulars" due to illness or new obligations that cropped up on that alternate date.

Those that could attend enjoyed a good meal and great conversions with good friends.

It was a very special evening for all.

We hope you can join us again next year. Enjoy the photos!

The Karl's Cabin Dinner

I got the group shots on my iPhone, which I never appear in, so I put the one of Chris and myself here.

Rick Sawicki took many photos as well. You can see his great photos here:

This get together, used to have several tables filled, but time has passed, and now we're down to just a few. This is an ideal stop off for the field workers, breakfast and then the field. Please make an effort, we used to be **"The R.O.M.E.O." Group, "Retired Old Men Eating Out!"**
