CPR Class - The Midwest May Meeting – 2015 Mowing Information -
Announcing the 2015 Mid-Am – Upcoming Events

Midwest Members Take CPR Class

On Monday, May 4, 2015 many members of the Midwest RC Society took a hands only CPR class. The class was presented at the Northville Township Fire Station by Brent, a Township EMT.

The class was well presented and the members were brought up to date on the latest CPR techniques. Other life saving techniques were also discussed.

It was a valuable evening.

The May Flying Meeting

Due to the field being quite wet on June 6, the first flying meeting of the year was held on Thursday, May 7.

The turnout was good, and the weather pleasant, but windy.

Arthur Deane and **Rich Sievert** carried on the tradition of providing the field dinner of hot dogs, chips and refreshing drinks.

Helicopter Frequencies

21,27,29,39, 41

Sailplane Frequencies

11, 12

The members flew throughout the evening and there was a bit of training near the end of evening when the gusty and variable winds let up just slightly.

Come join us Wednesday, June 3 for our next flying meeting and join in the fun and friendship.

An interesting note: We didn't have our first flying meeting last year until the June meeting.

2015 Field Mowing Information

Wednesday is mowing day (weather permitting) otherwise Thursday before 6 p.m.

Flight Instructors please consult the mowing schedule and mowing team leader prior to scheduling training sessions to avoid conflicts.

Team members, PLEASE call your team leader if you are unable to show up for field work.

All team members must check with their Team Leader for mowing time.

OF THE EQUIPMENT USED TO TAKE CARE OF THE PARKING AREA OR FLYING FIELD

SAFETY FIRST

NO SMOKING IN OR AROUND THE STORAGE AREAS!
