Skymasters Indoor Flying at Ultimate Soccer Arenas, 867 South Blvd., Pontiac

From Fred Engelman via email

We have some great news to share. Ultimate Soccer Arenas has extended our flying time by 50% for all 26 flying sessions this season. Each day we will be starting at 10AM and can fly for 3 hours until 1PM. That makes a total of 78 hours.

We will begin on Tuesday, November 3rd and will run through Tuesday, April 19th. Skymasters would like to thank George and Tom for extending our flying time. I hope you all will all take the time to thank George and Tom when you see them. Attached you will find a revised schedule with the expanded hours.

NOTE: ONLINE INDOOR REGISTRATION is up and running for a Season Pass and 5-Session Punch Cards. Go to the Skymasters Web page at www.skymasters.org or you can use the direct link: <http://www.skymasters.org/index.php?page=register&event=indoor>

If you purchase a Season Pass for a \$100 you will get an opportunity to fly for 78 hours this fall, winter and spring at the best indoor facility in the Tri-County Area for less than \$4 bucks per session. Ultimate Soccer Arenas has a 72 foot high peak and 45 feet at the eaves, comfortably heated, good lighting, bleachers and benches, clean restrooms, and a new restaurant to better serve our needs.

This will be Skymasters 8th year of indoor flying at this magnificent arena.

Thanks to all those who led the way - the Indoor Pilots applaud all you.

One other piece of good news is the Detroit Lion's games only last 60 minutes and there are only 11 games left this season.

Happy flying, hope to see you soon,
Fred E
