Jim Northmore

From Peter Waters via email

Midwest founder member Jim
Northmore passed on Sunday, August 28.
Jim had been ill for a long while, and
was a founder member of the Midwest RC

Helicopter Frequencies

21, 27, 29, 39, 41

Sailplane Frequencies

11, 12

Society.

Jim was also part owner of MIN-X Radio Control which made R/C systems in Detroit starting with single channel, developed excellent pulse control systems, and their digital Astromite, was a final product. These were made on Grand River Avenue.

Jim was also a highly regarded professional photographer, and developed several processes that were used in production of the annual car catalogs. The studio used was Boulevard Photography in Highland Park.

At the Very Important Upcoming October Meeting

The agenda for the October meeting includes the nominations for officers for 2017. **Arthur Deane** is stepping down after many, many dedicated years as president and leader of the Midwest RC Society.

The officer nominations will take place during the October meeting, with any further nominations being accepted at the November meeting before the vote.

If you'd like to run for an office, you may certainly nominate yourself!

Remember, we will also be seeking volunteers for set up, tear down, admissions and concessions for the Sunday, November 6, Swap Shop. This is YOUR chance to give back to the club.

Set up for the Swap Shop is at 7 a.m. and tear down at noon.

The September Flying Meeting

Is there too much pressure out here?

The September meeting was postponed from September 7 to the 14th because of rain on the 7th.

What a great evening!

It turned out that the evening of Wednesday, September 14 was a perfect evening for RC flying!

The turn out was pretty good, and there was a lot of flying and friendly bantering going on. These evenings are a lot of fun!

As previously noted, **Arthur Deane**, let us know that he would not be seeking nomination, nor accepting a nomination, as our club president for 2017.

It is hard to believe that the flying meetings for the 2016 flying season are over.

It was a strange year at the flying field. It was too hot, or too windy, much of the time for good flying weather. What a year!!!

To change your email address contact Ken Myers at kmyersefo@mac.com

The 2016 membership application is available at the club Web site,
<http://www.midwestrcsociety.org>,
for downloading with the link on the homepage.
