2017 Mowing Information

Field Mowing Information From **Bill Brown** and **Jim Cross**

Please Note:

1. The mowing schedule is presented as a general mowing guide to help insure that the field is mowed at least once a week.
2. As shown each of the 4 mowing teams usually have a period of 4 weeks between their respective turns to mow, but this is subject to change (see below).
3. The schedule is NOT intended to be an unbending, all encompassing rule that covers every situation.
4. Each Team Captain is empowered to adjust his team's mowing time and day if required due to weather, special events or another reason; he is responsible for communicating his adjustments to all the members of his team.
5. In case of vacation or a leave of absence, it is the Team Captain's responsibility to swap weeks with another Team Captain.
6. Additional cuttings are at the discretion of the Team Captains.
7. The attached schedule will NOT be modified for any of the changes listed in items 4, 5 or 6.

**Wednesday is mowing day (weather permitting)
otherwise Thursday before 6 p.m.**

Typical Mowing times:

- Team #1:** Roger Wilfong 9:30ish a.m.
Team #2: John Gravasso 12:30ish p.m.
Team #3: Dave Stacer 4:00ish p.m.
Team #4: Rich Sievert 9:30ish a.m.

Flight Instructors, please consult the mowing schedule and mowing team leader prior to scheduling training sessions to avoid conflicts.

Team members, PLEASE call your team leader if you are unable to show up for field work. All team members must check with their Team Leader for the actual mowing time.

Any team member whose personal schedule conflicts with his team's mowing schedule should contact Bill Brown, 248 379-4935, for reassignment to another team.
